Sadness **slumps** down the street in an anorak of pouring rain, **sloshing** through crowds who cant see him, **blubbing** words that no one will hear.

Choose two different emotions from the list below. Imagine that the emotion became a person.

- ◆ What would they wear?
- ◆ How would they move?
- ◆ How would they speak?

Write some sentences describing them. Try to use exciting verbs, like the ones in bold in the example above.
